

The Charter of Universal Responsibility

Tenzin Gyatso - Dalai Lama

Universal Responsibility

I am committed to joyfully practicing ethics of universal responsibility and contribute to turning planet Earth into planet LoveForce.

11

Mahatma Gandhi

Satyagraha or LoveForce

I am committed to abiding by the principles of LoveForce to support the emergent civilizational paradigm of love.

10

Holistic Education

I am committed to a holistic education that teaches how to be, how to live, and how to do, according to the guidance of the heart.

Malala

Jacinda Ardern

Women's Leadership

Women are the guardians of life, which is born from the fullness of their love. I support their vibrant leadership in creating the healthy, collaborative, post-patriarchal era of the Symbiotic Age.

8

Justice

I support global harmony and climate justice to heal Mother Earth and ensure a livable planet for future generations.

7

Democracy and Bio inspired Governance

I support representative democracy for protecting human rights and freedoms, and advocate for nature's rights through bio-inspired governance.

6

5

Sharing

I support practices of regenerative economy, service, and solidarity.

Mother Teresa

Human Dignity

I am dedicated to upholding and protecting the inherent dignity of all my human siblings, as my own dignity is intrinsically linked to theirs.

4

Care

I am dedicated to cherishing all life forms, especially the most vulnerable ones that depend on me for their survival.

3

Love

I surrender to love and nonviolence, the core desires of my inner humanity.

2

Peace

I am dedicated to nurturing peace within myself and radiating it outwardly.

1

INNER PEACE

I cultivate inner peace in my thoughts, words, and actions for the greater good of all lives.

I AM THE LOVE I want the see in the world

Awakening to the power of love, a collective force for social progress, climate justice and human evolution, I acknowledge our interconnectedness with all life forms on Earth. We are united as one planet, one family, one future with 8 billion fellow humans and various life forms.

SATYAGRAHA, or LOVEFORCE

Following Gandhi and ML King, I embrace Satyagraha or "LoveForce" to support the most vulnerable and advocate for justice, freedom, and dignity. Leaving no one behind, I am injecting a new dimension of love into the veins of civilization.
